Class Specification – Public Safety Dispatcher II

Summary Statement:

The purpose of this position is to receive and dispatch incoming calls for Police, emergency medical, and Fire services and other emergency and non-emergency assistance. Obtains critical information needed to ensure proper Police, Fire, and medical response; dispatches appropriate units via the computer aided dispatch system (CAD), the radio and telephone; and performs a variety of duties relative to assigned areas of responsibility. In addition, this position processes incoming 911 and non-emergency calls for service to determine the nature of calls and choose the appropriate response using emergency Police, Fire and Medical protocols. Prioritizes calls based on nature of emergency.

DISTINGUISHING CHARACTERISTICS:

This is the full journey level class within the Public Safety Dispatcher series. Employees within this class are distinguished from the (I level) by the performance of the full range of duties as assigned. Employees at this level receive only occasional instruction or assistance as new or unusual situations arise, and are fully aware of the operating procedures and policies of the work unit. Positions in this class are flexibly staffed and are normally filled by advancement from level I, or when filled from the outside, have prior experience.
