- **Approval of Minutes**
  - Approval of the 05.27.26 meeting minutes
    - Motion: Roger Coker
    - Second: Jennifer Tobias
- **Dispatch Review Committee Items**
  - CommsCoach Hire-Renee Henshaw
    - **This will be sent out via an email update**
  - Upcoming Training- Joscelyn Niski
    - Certification classes are currently going on:
      - This week is EMD, CPR, and ProQA (Medical only).
      - Next week: EFD, EPD, and then scenario day on Aug 7th.
      - **Discussion topic:** Are agencies interested in doing ProQA for FD and PD next year?
        - TCSO is in favor of this model
    - EMD Mentor- September 8-10th
    - NENA CTO- Oct 6-8th

- EMD Q Course- Oct 20-21st (Will send an updated calendar)
  - PSAPs should advise Joscelyn if they have participants for the above courses, or if there is an interest in adding a PD or FD Q course.
    - FTC has interested participants for Q class and will advise
- Next round of certification classes is in October. These training dates are available on the training calendar.

- Upcoming ProQA Update- Joscelyn Niski
  - Gave the group a heads up that ProQA Updates 5.1.1.55 and 5.1.1.56 will be starting soon.
  - Joscelyn will send the update guides to everyone. Since these are relatively small updates, the proposal is to combine them into a single release, pending everyone's agreement.
  - Discussed preferred go live dates and requested feedback from the group.
  - Per EPSO: Tentative thoughts for the go-live would be for the Quarter following the release. The consensus is to reconvene to formalize date once everyone has a chance to review the update guides.

Dispatch Steering Committee Items

- Cancelled- Will be rescheduled for a future meeting.
- CSPD is requesting an October Steering Committee
- Other agencies should advise Joscelyn if they should need to add on to the October Meeting

- **Round Table**
  - Dan- Central square CAD users
    - Working through an issue with text/records check return. Upon resolution there will be training
    - CIM is live in training CAD
    - Will implement MFA for SIM based on CJIS requirements – can be either a cell app with Microsoft Authenticator or it can be a physical device.
    - Once CIM and TTMS are implemented, CAD upgrade will follow

- Radio Upgrade updates for new AXS radio platform - Motorola has tentative schedule/BUCC plans. Matt will coordinate with each PSAP to plan training.
- Admin Line Migration- Matt has been talking to Rich with CSPD, also will be reaching out to Kenny Crow @ EPSO. CSPD and EPSO will be the first two agencies to move forward with this integration and smaller agencies will follow 1 by 1.
    - EPSO advises that the sooner the better
